Summary

This opportunity includes direct support in providing vaccination, and extra support to Outreach and Recovery Navigators on clinical questions at least three days a week. Candidates should have experience with pop up clinics, and are willing to oversee pods we put together with partner organizations. An ideal candidate for the public health advocate role is bilingual in Spanish and English, or trilingual: speaking Mam or other languages as well.

We seek a community health worker who is able to understand the community they serve with. Is able to create a trusting relationship with community members and serve as a liaison for them to access and navigate public health services. The Community Health Advocate will help increase health knowledge by way of advocacy and community education.

The ideal candidate has a deep commitment to providing resources and understanding the need for diversity, equity and inclusion. The ideal candidate is dedicated to working in solidarity alongside communities of East Oakland and beyond.

Requirements:

Ideally the Community Health Advocate will have experience with any of the following: serving our houseless communities, experience with counseling for substance abuse, trauma healing, or is a trained therapist.

1. Direct service work with the community by participating in outreach events and health education, resource navigation, advocacy support, and vaccine pod work.

2. Help Individuals, families, groups, or communities develop their capacity to access resources, quality care and health information.
3. Deliver health information using culturally appropriate concepts and language.
4. Translating and interpreting for clients and health care/ social service providers.

Due to the nature of the position, the Community Health Advocate may need to take on other tasks that are not listed in the job description.

Essential Responsibilities

1. Ability to multitask with attention to detail and organizational skill.
2. Welcome community with love and respect.
3. Must maintain a cooperative and approachable team-oriented attitude.
4. Serve as a bridge between the community and health care or social service systems.
5. Advocating for local health needs.

Position Type and Expected Hours of Work

This is a part-time position, 20 hours a week. Days and hours of work are generally Monday through Friday, from 9am-5pm. This position will translate to \$20-30 per hour, depending on level of experience and or degrees.
